Dear families,

The death of George Floyd is painful in many ways. He did not have to beg for his life. His family did not have to lose him. The result of his death has brought our community to pause, reflect and grieve. The events following his death affected the lives of many families including you. Some lost their homes, work and others have been displaced from their homes. We want you to know that the ACC familia remains strong and we think about you and your children. We stand with you and your children.

Cesar Chavez said, " The fight is never about grapes or lettuce. It is always about people." We at Academia Cesar Chavez will continue to build the character of your children by providing them with a place to learn, reflect and articulate their ideas. We will teach them to exercise their freedom and protest peacefully. We will help them understand that we live in a world filled with injustice and we must seek justice and peace at all times. We have examples of leaders who led peaceful protests and we must follow those examples and win the fight with love, care and kindness because we can.

You are your child's first teacher and we would like to provide you with resources for your children and for your self-care:

We will continue to reflect on how we can do better as an organization. We alone cannot eliminate racism in our community, but we can and must change our corner of the world and contribute to the progress that is so desperately needed. We are here for you. Contact the school at 651-778-2940 and we will assist you.

Sincerely,

ACC Senior Leadership Team

Queridas familias,

La muerte de George Floyd es dolorosa en muchos sentidos. No tuvo que rogar por su vida. Su familia no tuvo que perderlo. El resultado de su muerte ha hecho que nuestra comunidad se detenga, reflexione y se aflija. Los eventos que siguieron a su muerte afectaron las vidas de muchas familias, incluida la suya. Algunos perdieron sus casas, el trabajo y otros han sido desplazados de sus hogares. Queremos que sepan que la familia ACC sigue siendo fuerte y pensamos en ustedes y en sus hijos. Estamos con ustedes y sus hijos.

César Chávez dijo: "La lucha nunca es por las uvas o la lechuga. Siempre se trata de la gente". En la Academia César Chávez continuaremos construyendo el carácter de sus hijos, proporcionándoles un lugar para aprender, reflexionar y articular sus ideas. Les enseñaremos a ejercer su libertad y a protestar pacíficamente. Les ayudaremos a entender que vivimos en un mundo lleno de injusticia y que debemos buscar la justicia y la paz en todo momento. Tenemos ejemplos de líderes que lideraron protestas pacíficas y debemos seguir esos ejemplos y ganar la lucha con amor, cuidado y amabilidad porque podemos.

Usted es el primer maestro de su hijo y nos gustaría proporcionarle recursos para sus hijos y para su cuidado personal:

Seguiremos reflexionando sobre cómo podemos mejorar como organización. Nosotros solos no podemos eliminar el racismo en nuestra comunidad, pero podemos y debemos cambiar nuestro rincón del mundo y contribuir al progreso que tan desesperadamente se necesita. Estamos aquí para ustedes. Contacte a la escuela al 651-778-2940 y le ayudaremos.

Sinceramente,

Equipo de Liderazgo de ACC
