Fiction Vs. Nonfiction	Write a paragraph about your favorite day this summer.	Write your times tables numbers 6-12. Click for a sample of number one.	Watch this video and review the states of matter and how they interact with each other	Context Clues Activity	Expectativas para la clase Expectativas
Read the story and answer questions on RAZ kids called Mexico's Fight for Independence.	Create an acrostic poem about Mexican Independence Day using the word MEXICO.	Create and write your own multiplication story problem for someone else to solve. You may use single or multi digit numbers.	Place an ice cube in a cup (clear glass if you can). Record how long it takes to go from a <u>solid</u> to a <u>liquid</u> AND then from a <u>liquid</u> to a <u>gas</u> .	Click here to create a vocabulary flip book on five words that you do not know how to define	Extensión Extension
Read a book to another family member. Tell them your favorite part.	Ask your family members about a cultural holiday that is important to your family.	Create your own multiplication flashcards for the numbers you need practice with the most. Then have a parent, guardian, sibling, or other relative quiz and time you.	Record as many items in your house as either a solid, liquid or gas.	Create a list of 10-20 antonym pairs with a guardian, parent, or other relative. Searching around the house may be helpful. Example: black/white day/night	Expansión Expansion
